**PETALING JAYA (June 11, 2012):** Malaysia Airports Holdings Bhd (MAHB) CFO Faizal Mansor was named the "Best CFO for Investor Relations" in the mid-cap category at the recent Second Malaysia Investor Relations (IR) Awards ceremony.

MAHB corporate finance and business advisory senior manager Vinie Chong Pui Ling, meanwhile, won fourth place for the Best IR Professional in the mid-cap category.

The airport operator was also nominated in four other categories: Best Company for IR, Main Board-Mid Cap (sixth place), Best IR Website Main Board-Mid Cap (third place), Most Improved Service from IR Team (seventh place) and Quality One-on-One Meetings (seventh place).

In a statement today, Faizal attributed the award to the management and staff at MAHB.

"Further to the successful completion of our corporate and financial restructuring in 2009, MAHB is now financially stronger, a AAA-rated company while upholding the highest level of business integrity and corporate governance.

"All we've done is to effectively communicate these achievements to the wider public, the investment community in particular. We also value the feedback we receive from all stakeholders, which is key to an IR best practice," he added.

Organised by the Malaysian Investor Relations Association (Mira), the Malaysia Investor Relations (IR) Awards give recognition to individuals and companies that have successfully embraced best IR practices. Winners were chosen based on a survey covering over 800 fund management and equity research professionals globally, which was undertaken from Oct 17 to Dec 16 2011 by Thomson Reuters Extel.
