

# WEBINAR: ESG Risk Management and Due Diligence

◆ Understanding & Managing ESG Risks ◆

22 June 2022 (Wednesday) 9:00 AM - 1:00 PM

# PROGRAMME OBJECTIVE

---

As ESG gradually becoming more central to corporate strategy and decision making, companies and investors are stepping up their knowledge on ESG and sustainability. To integrate ESG considerations into investment analysis and portfolio construction which offer long-term performance advantage to investors, risks associated with ESG need to be properly understood and managed. This webinar explores risks typically associated with the environmental, social and governance aspects that are facing companies at the moment and what measures the companies adopt in managing these risks against the backdrop of current regulatory perspective in Malaysia.

This webinar will expose the participants to ESG risks and their considerations so that participants will:

- UNDERSTAND ESG considerations and their importance in business
- APPRECIATE ESG risks and how to mitigate them
- BE AWARE of ESG and Sustainability Regulations in Malaysia
