

Annual Report Disclosure Guidelines & Sustainability Reporting

- What A Company Need To Disclose

The Annual Report is an important shareholders communication document and a vital information kit to attract potential investors to make the correct investment decision. Over the years, additional non-financial information disclosures are necessary to improve on its communicative value to all users of Annual Reports, like Management Discussion and Analysis and more recent the Sustainability Reporting, both are now mandatory requirement, moving forward.

LEARNING OUTCOMES

At the conclusion of this Workshop, participants will be able to:

- Apply the best practices in Annual Report disclosure,
- Distinguish the various key components of each disclosure Statements, and
- Interpret a deeper insight into the mind-set of institutional investor relations in relation to essential features in sustainability reporting.
